

Booth Amenities

Parking spot
8' x 4' table
Electricity access
Water access

Booth Assignments

Vendors are split into two categories; **seasonal and daily**. Seasonal vendors are guaranteed to have the same booth(s) each day they attend the Market. With all other **daily** vendors, we take into consideration that each location has its own characteristics, and do our best to keep you in a spot that is best suited to your business.

At this time, we do not have seasonal vendor availability. Each year, when spots become available, the Vendor Committee awards them to businesses based on product offerings, years on the Market, and attendance. If you are interested in having a seasonal booth, please submit this request in writing to Market management in January.

Booth Fees

all fees are per booth

*indoor booths are closed at this time due to the pandemic
